Additional Agenda

Case No. 01

(Lok Sewak Co-operative House Building Society Ltd. Through its President Shri Umesh Chand Gupta, C-21, Geetanjali Enclave, New Delhi)

It has been observed by the Authority in many cases when the applicant submits the application for extension of validity period of NOC granted by the Authority, the actual construction, reconstruction, repair and renovation of building or structure as the case may be, already carried out is not as per the building plan approved by the Authority while granting the original NOC. In such cases, the building approving authority have modified the building plan approved by the Authority and the applicant has carried out the work as per this modified building plan approved by the building approving authority.

The Authority decided that while considering the applications for extension of validity period in terms of provisions of Rule 17 of AMASR Rules,2011 beyond the period of three years from the date of grant of initial permission by the Competent Authority for any period not exceeding

two years, or applications for grant of fresh NOC for completing the remaining construction, reconstruction, repair and renovation after the expiry of the maximum period of validity of five years of grant of initial permission by the Competent Authority , may take into consideration the stagewise inspection report of the building approving Authority if available.

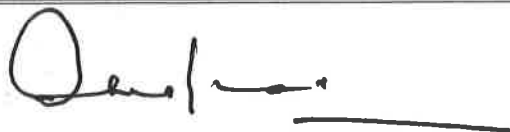

The applicant shall be required to furnish an affidavit that

- (a) The height of the building or structure and the distance from the CPM, at which the construction, reconstruction, repair and renovation has been carried out are strictly as per the recommendation of the Authority while granting the initial NOC.
- (b) There has been strict compliance by the applicant of the other terms and conditions of the NOC initially granted by Competent Authority for construction, reconstruction, repair and renovation of the building or structure as the case may be.
- (c) The building plan of the construction, reconstruction, repair and renovation is strictly as per the building plan approved by the building approving Authority.

The Competent Authority while forwarding their recommendations to the Authority in such cases, shall invariably forward the above affidavit by applicant and the stagewise inspection report of the building approving Authority, if available to the Authority for its consideration.

An advisory on the above lines may be issued to all Competent Authorities.

Accordingly, after perusal of the application, it was decided to **send back** the case asking applicant to submit the affidavit for setback of six meters and previous plan approved by the Authority, NMA and other documents approved by building approving Authority of Delhi.

A handwritten signature in black ink, appearing to be 'D. S. ...', is written over a horizontal line. The signature is cursive and somewhat stylized.
