Agenda No. 1

The minutes of 133rd meeting held on 29th February, 2016 and 134th meeting held on 10th & 11th March, 2016 were confirmed.

Agenda No. 2

In the case of J-4, Green Park, New Delhi, it was decided to ask the C.A., Delhi to re-verify the distance. From the re-verification report received from C.A., the distance has been confirmed. It has been reported by both, Director (Monuments) and C.A., Delhi, that the applicant has not violated the conditions as imposed by NMA. Hence, this factual position in this regard is being intimated to the MoC.

In the case of J-13, Green Park, New Delhi, the permission was given by ASI in 2008, on the recommendation of Expert Advisory Committee. Thereafter, the case was received by NMA in year 2013, for revalidation. The same was approved by the then Member Secretary, NMA. The case was never placed in the meeting of NMA. Hence, this factual position in this regard is being intimated to the MoC.

Agenda No. 3

After perusal of the Local Development Plan of the Greater Mumbai, it was decided that in Mumbai, the height of construction projects will be restricted to 75 mtrs. including mumty, parapet, water tank, etc. around the protected monuments, till monument specific heritage byelaws are framed.
After perusal of the reports received from the DDA and NDMC, it was decided that in Delhi, the height for residential buildings will be restricted to 18 mtrs. including mumty, parapet, water tank, etc. and the height for commercial and institutional buildings will be decided on case to case basis, till the framing of Monument Specific Heritage Bye Laws keeping in view the sensitivity of the monuments.

The heights already approved in past cases will be treated as guidelines till such time the Monument specific Heritage Bye Laws are framed. Individual cases will be decided by NMA on case to case basis, as and when Monument Specific Heritage Bye Laws come into force.
