Case No. 03

(Sri. Aditya Homes Pvt. LTD, 8-2-332/8/A, Aditya House, Road No.3, Banjara hills, Hyderabad, Andhra Pradesh)

After perusal of the application, the HIA report, the PPT given by the applicant and his team, the comments of the CA and in the light of the fact that this case was also approved in 2008 by the ASI, it was decided to recommend grant of NOC in this case for construction of residential project with the total height of 10 mtrs (including mumty, parapet, water storage tank, lift room etc) at Survey No. 250, 251, 252, 253 & 255 TS No. 19 of Quilla Mohammad Nagar (V), Golconda (M), Hyderabad; subject to the following conditions:

i) Construction to be started beyond 101 m from the CPM
ii) Height to be restricted to 10 m (all inclusive) and revised building plan to be submitted
iii) Sewage treatment plant to be sited in Park 5
iv) Digging of foundation should be under ASI supervision
v) No use of heavy machinery except JCB
vi) Color scheme should match with that of the monument

Case No. 02

(Regional tourist Office, Gorakhpur, Near Rly. Station, Carnel road, Civil Lines, Gorakhpur, Khusinagar, Varanasi)

After perusal of the application, it was decided to defer the case and ask the SA, Sarnath Circle to give a report on the proposal.
Case No. 03

(National Capital Region Transport Corporation (NCRTC), Under Ministry of
Housing & Urban Affairs, Government of India, National Capital Region
Transport Corporation, 7/6 AMDA Building, City Fort Institutional Area,
August Kranti Marg, New Delhi)

After perusal of the application, it was decided to recommend grant of NOC in this
case for construction of Rail based RRTS Station at Regional Rapid Transit System
(RRTS) Station at Ghaziabad, Ghaziabad, UP; with the following proposal:

RRTS Station will have RCC Construction with steel shade:

GF+3 Story RRTS Station Building with the total height of 28.88 mtrs (inclusive all
rooftop structures), with floor area GF = 4000 sqm, Parking/utilities, FF=SF=TF= 9000
sqm.

Additional Agenda: 1

The following cases pertaining to grant of NOC in the state of Gujarat were discussed in the
223rd meeting of NMA held on 15th April, 2019 as Additional Agenda. In all the three cases
matter is pending in High Court of Gujarat.

1. M/S RIDDHI SIDDHI ENTERPRISES- MS, NMA apprised the authority about the
complete background of the case and the NOC’s issued by DG, ASI in 2006. He also
mentioned that a Writ Petition has been filed in High Court of Gujarat where NMA is
also a respondent. The original sanction granted by ASI in the year 2006, which was
claimed to have been extended in 2014, is in contravention of AMASRA Act and Rules
framed thereunder. Moreover on a perusal of the documents it appears that Prima
Facie the documents and signature thereon are forged. Secondly the request for
extension never came up before the authority for consideration.

Under these circumstances NMA decided that it has nothing to do with the extension of
sanction and irregular construction carried out by the agency. Action may be taken as
per law by ASI and AMC.

2. Shri Moinuddin S. Shaikh – MS, NMA reported complete details of the case to the
Authority. The case was recommended by NMA for construction with height of 15 mtrs
in 30th meeting held on 27th March, 2012. The case was again considered in 211th
meeting held on 17th & 18th January, 2019 wherein the request for regularization of
unauthorized construction upto 22.80 mtrs was rejected. It was observed that the
approval letter produced by the applicant granting extension of height up to 22.80 mtrs was Prima Facie fake and signatures were forged. In view of the High Court, Gujarat order dated 08.03.2019, NMA has now been directed to take a decision on the representation made by the applicant without taking into consideration the earlier actions by the applicant.

In view of the court order the case was reconsidered. Since NMA does not have any power to regularize unauthorized construction under AMASR Act and keeping in view the complaint filed by the applicant himself against his agent reporting an act of forgery, the earlier decision of NMA is reiterated and the application is rejected.

3. **Shri Mohammad Yusuf Ibrahim Noor – MS**, NMA reported that Hon’ble High Court, Gujarat in its order dated 04.04.2019 directed that NMA should take a decision on the representation of Shri Mohammad Yusuf Ibrahim Noor within 21 days. He explained the facts of the case, i.e. NMA recommended NOC in 121st (2nd Day) meeting held on 10.04.2015 for construction of GF, Parking + 5 Floors up to a height of 22.50 mtrs (including mummy, water storage tank, parapet etc) in the blocks A and B with floor area 579.85 sqm each in this case. However neither the application, the minutes or the recommendation letter mentioned anything about the Cellar as a part of the building. It was found that the same has been inserted in the recommendation “by hand”.

After careful consideration it was decided that the original recommendation without the ‘Cellar’ will again be sent to the Competent Authority, Gujarat. Any subsequent action is regarding CELLER is fraudulent and not acceptable to NMA. The Corporation should check the minutes of NMA available in its website and take action against any such fraudulent action as per law.

The above decisions of NMA be communicated to CA, Gujarat, SA, Vadodara and Municipal Corporation, Ahmedabad immediately keeping in view the Court orders.

### Additional Agenda: 2

A list of 619 monuments for categorization was circulated to all the members of NMA for discussion and finalization in the next meeting.
