Subject: List of Delhi monuments for color coded maps of Centrally Protected Monuments.

The Archaeological Survey of India (ASI) has forwarded the list of 13 Centrally Protected Monuments in Delhi for which color coded maps have not been prepared and therefore not yet been made available for traversing and determining the distance through Online Portal of National Monuments Authority. Hence, it has been decided that the NOC applications for plots within the regulated area of these monuments will not be considered through Single Window System as these cases are required to be physically verified by the office of Competent Authority, Delhi before submission to NMA.

The NOC Applications in such cases will be submitted in hard copy to Competent Authority, Delhi till color-coded maps are made available.

A list of these 13 monuments is attached herewith for reference.

This issues with the approval of Competent Authority.
